Pre-launch version
Pre-launch version 0.1. These terms take effect for a training centre on the date it signs or accepts them, and for all other users on the date the service opens. No payments are taken under this version yet.

This form is the pre-contract information for booking a session on Recurrent as a consumer living in Türkiye. You see it before payment together with the payment screen, which shows the details of your booking. We record that you accepted this form, its version and the time.

1. Main characteristics of the service

The payment screen shows the type of training, the simulator, the training centre, the date and time and the total length of the booking. A session is reserved for a specific date and time and given in person at the training centre.

2. Seller identity and contact

The payment screen shows the registered name of the training centre providing the service and the address of the facility where the session is given. The Platform is operated by Nivorbit Teknoloji Limited Şirketi (Sarıcaeli Köyü, Sarıcaeli Küme Evleri No: 29 İç Kapı No: 109, Merkez / Çanakkale 17100, Türkiye), MERSIS no: 0631151313600001. The Platform is an intermediary service provider and is not a party to the service contract; it takes bookings and payments in the centre's name and for its account. Contact and complaint notices: contact@nivorbit.com.

3. Total price

The payment screen shows the total price including taxes and, where the centre's policy sets them, the deposit and the no-show fee as a share of the price. A deposit is part of the price and is taken at confirmation; cancellation tiers apply to it as well, and where it exceeds what you are due to pay, the excess is refunded. The no-show fee applies if you do not attend; you have 7 days to object, as the Cancellation and Refund Policy sets out. There is no shipping, delivery or remote-communication surcharge.

4. Payment and performance

You pay by card, or with a credit you hold at the centre. The payment screen shows the amount and when it is taken. The session is performed on the date and time shown on the screen, at the address shown there.

5. Cancellation terms

A session is given on a set day and time at a set place. The cancellation terms shown on the payment screen therefore apply, and no right of withdrawal applies.

6. Cancellation and refund

Cancellation and refund follow the centre's policy shown on the payment screen and the Cancellation and Refund Policy.

7. Complaints and where to apply

As a consumer, you may apply to the consumer arbitration committees and consumer courts of your place of residence or of the transaction. The competent place and the monetary limits are as the law sets.
